

# Are You Concerned About Where the Global Climate is Headed?

What do you know about this issue?

If climate change is occurring on the scale and pace that scientists contend, what can we do about this?

To find out why climate change is such a hot topic, come see the newly released film:

"Everything's Cool"

**Wednesday  
20 June 2007  
6:00-9:00 PM**

Harvard  
University  
Science Center  
Lecture Hall A

An evening of film and discussion with

**Ross Gelbspan**

Sponsored by ***The Environment Club***

Harvard Extension School
